

Cañada College Academic Senate Resolution

Resolution: Maintaining and Growing the Full-time Faculty Workforce

WHEREAS, students benefit from taking classes from, and having extended contact with, full-time faculty, and

WHEREAS, full-time faculty bear the weight of developing and revising academic courses and programs, and,

WHEREAS, full-time faculty are critical to evaluating and ensuring the professional quality of its peers, and

WHEREAS, full-time faculty are actively engaged and lead institutional planning and governance,

RESOLVED, that the Cañada College Academic Senate advocate for an increase in the number of full-time faculty in order to make progress on achieving the goal of the 75:25 ratio identified in AB1725, and

RESOLVED, that the Cañada College Academic Senate adopt the Spring 2017 *Faculty Vacancy Process* in order to ensure the timely replacement of full-time faculty vacancies and avoid a reduction in the full-time faculty workforce.

Approved 5/11/17
