Re: Curriculum Committee Report

Date: September 14, 2023

1. We had a thorough training (process, procedure, priorities; honors and distance ed addenda; the articulation process) at our first meeting of September 7, 2023.
2. See slides 12-15 and the curriculum chair's email of September 11, 2023 for curriculum priorities for 2023-24. Highlight: for GE, CSU, and UC transfer courses, no need to update course descriptions or objectives because, pursuant to AB 1111, we will soon be adopting common course outlines across the state, probably by copying/pasting from C-IDs.
3. Reminder: as discussed and agreed upon in spring 2023, our new meeting time is Thursday from 1 to 2:30 pm, in 9-154 and, for guests, via Zoom.
4. Our September 21st meeting will be a hands-on workshop for faculty who are updating or creating new curricula, with all of the experts in the room. Please come to 9-154 from 1 – 2:30, or join us on Zoom, for help.
