

COURSE SYLLABI REQUIREMENTS, GUIDELINES, AND LANGUAGE

The division offices are required for college accreditation purposes to have on file a syllabus for every course in the division each term. Additionally, the division office may answer student questions with a quick reference to your syllabus. To review course SLOs and other important information, visit <http://www.curricunet.com/SMCCCD/search/course/>. Search “Active” courses by “Course Number” in your discipline to review the official Course Outline of Record.

All course syllabi should clearly identify:

- Faculty name and office number
- Faculty contact information—office number and work email
- Office hours
- Course name, number and section, description, and classroom location/online information
- Final examination day and time (recommended)
- Student Learning Outcomes
- Required and Recommended Texts
- Course Requirements
 - Assignments
 - Detailed Grading Policy
 - Course Policies
 - Attendance Policy (**Note:** It is a violation of Title V to use "attendance" as a criterion for final grades; however, “participation” can be used as a criterion as long as it is clearly stated in the syllabus.)
