COMMUNITY COLLEGES
FOUNDATION**

San Mateo County Community Colleges Foundation raises funds to support student scholarships and programs at Cañada College, College of San Mateo, and Skyline College. Our donors come from all across our community — individuals, big and small businesses, civic groups, and community organizations. The joy, success, and promise you see tonight is the difference that our donors are making in our community.

This year’s donor-funded scholarships will provide financial support to help these students succeed in college, finish their degrees, start their careers, or transfer to four-year institutions. Our donors’ generosity directly contributes to Cañada College students’ ability to realize a better life for themselves and their families through the gift of higher education.

To support our students through scholarships, you can make an immediate gift online at foundation.smccd.edu/donate. For more information about establishing a scholarship at any of our colleges, please contact Executive Director Tykia Warden at 650.358.6860 or wardent@smccd.edu.
