School got you stressed? Worried about finals? We're here for you! Come to the Cañada Library for some much needed relaxation and canine therapy! We've partnered with the Peninsula Humane Society and SPCA to bring dogs just for you (well, we love them, too!). These pups are specially trained to help you relax. You can pet them, talk to them, and help them do their job by showing up stressed and leaving in a great mood!

# Veterans Day

## Nov. 10

AMERICAN VETERAN is a four-part documentary series tracing the veteran experience across the arc of American history and exploring the present-day divide between civilian and veteran communities. From the citizen-soldiers returning from the Revolution to today's warrior class, it is a deeply moving story, illuminating the veteran experience and drawing civilian viewers into an unfamiliar culture.

## HUNTING IN WARTIME

A DOCUMENTARY FILM BY SAMANTHA FARINELLA

HUNTING IN WARTIME profiles the incredible stories of Tlingit Native Americans from the village of Hoonah, Alaska who served in the Vietnam War. Their stories confront the complexity of serving a country that systematically oppressed them; a government that forbid the Tlingit language, over-logged their forests, and established laws that robbed returning vets of their ancestral trade as fishermen.
