

Cañada College

PCC  Personal Counseling Center

4200 Farm Hill Blvd., Bldg. 5 Rm. 303, Redwood City, CA 94061

Personal Counseling Center Clinical Internship

The Cañada College Personal Counseling Center provides short term therapy, groups, and case management to the registered students of the college. Cañada College has been identified by the US education Department as a Latino serving institution and serves many first-generation Latino college students. Our center also serves a diverse student population including middle eastern, working adults, English learners, and International students. We provide treatment for a variety of presentations. We provide training in a variety training modality such as CBT, brief therapy, trauma-informed treatment, and developmentally respectful approaches.

PLACEMENT OPENINGS (4): Our placement for the 2023-2024 academic year is available during the Fall and Spring semester. The clinical placement is open to M.F.T. trainees, MFT associates, LPCC and Ph.D/Psy.D practicum trainees.

- Minimum 19 hours per week up to 24 hours
- Schedule days are Monday – Thursday with Wednesday morning required.
- Both individual and group supervision provided
- Supportive learning environment and gain experience providing mental health services in a college setting.
