

Impact of Cañada's STEM Minority- Serving Grants

April 20, 2022

Rationale: California Community College STEM Pipeline

- General pipeline to 4-year schools:
 - 31% of UC, 52% of CSU grads are CC transfers

- STEM Pipeline:
 - 48% of UC STEM grads are CC transfers

Who Has GANAS Served?

Who Has GANAS Served?

Over the 5-year GANAS grant period, we served **2,219** unique students, including...

- **1,279** students who received one-on-one tutoring
- **782** students who participated in EPIC sessions
- **268** students who visited universities
- **1,464** students who participated in speaker series
- **210*** students who were matched with a peer mentor

STEM Center Success Story

- Tamara Dorian
- Burlingame High School Class 2015
- Transferred to UCSC (Computer Science) 2018
- Graduated UCSC in 2020
- Currently works for Zendary (Tech Consulting)

“The STEM Center campus tours and transfer days allowed me to fall in love with the UCSC campus”

STEM Center Activities Benefit Whole Campus

Activity Participation by Major

■ PHYS ■ CHEM ■ MATH ■ Other Sciences ■ BIOL ■ CIS ■ ENGR ■ Non-STEM

STEM Grants

Funding Source	Grant Name	# of Years	Current Year	Amount per Year
DoE – Title III, Part F	GANAS	5	6	\$869,400
DoE – MSIEP (Individual)	INSPIRES	3	Done	\$250,000*
MSEIP Sub-Award	CCEM	1	Done	\$79,000*
DoE – MSIEP (Collaborative)	ASPIRES	3	Done	\$300,000
NSF – S-Smart	ASCENT	5	4	\$200,000* (\$120,000 in student scholarships)
NSF-HSI-STEM IUUSE	TRABAJO	5	2	\$300,000*
CCCCO	MESA	3 year cycles	Unfunded	\$70,000

Institutional Capacity-Building Grants

Goal of Title III & Title V HSI Grants:

Strengthen the capacity of *institutions* that disproportionately enroll Latino students to improve Latino students' access and completion in higher education

GANAS: Generating Access to Navigate and Achieve in STEM

Project Goals:

- A) Increase the success rate for underrepresented students in foundational courses that are key to **STEM pathways**. (Student)
- B) **Decrease the time to transfer** by increasing the success in STEM pre-requisite courses with pre-semester and in-semester **academic and study-skill assistance** for students (Student)
- C) Improve STEM faculty effectiveness in the classroom through pedagogies and strategies that **promote student engagement and improve learning**. (Faculty)
- D) Strengthen **relationships and articulation** with 4-year universities. (Institution)

The Four Pillars of Guided Pathways

- 1) Create clear curricular pathways to employment and further education
- 2) Help students choose and enter their pathway
- 3) Help students stay on their path
- 4) Ensure that learning is happening with intentional outcomes

California Community Colleges Chancellor's Office

1) Create Clear Curricular Pathways to Employment and Further Education

- First-year pathways
- First-year cohort
- NSF Scholars Program

STEM PATHWAY FIRST YEAR

Meeting with our STEM Counselor to create your SEP and engaging in Summer STEM exploration and supportive activities before you begin your first semester of college will make sure you get off to the best possible start.

SUMMER BEFORE

COLTS CON
MATH or CHEMISTRY JAM
STEM Counselor

Get Oriented

FIRST SEMESTER 13+ UNITS

MATH 225 (Path to Calc)
ENGL 100 (Reading and Comp)
LCTR 810 (Study Skills)
Major Specific Class *or*
GE Class (transferrable)

Get Going

SECOND SEMESTER 13+ UNITS

MATH 251 (Calculus)
ENGL 165 (Advanced Comp)
CRER 110 (Transfer Essentials)
Major Specific Class *or*
GE Class (transferrable)

Get Focused

Following the above pathway will get you off to the right start for any STEM major at Canada.

canadacollege.edu/stemcenter/

First Year STEM Pathway and Cohort

- Guide students in registering for foundational STEM classes
- Steer students to relevant college resources
- Create cohorts of students to promote interconnectedness

2) Help Students Choose and Enter Their Pathway

- STEM Summer Explorers
- Speaker Series
- Classroom Visits to Job Site
- Job Shadow Program

STEM Explorers

- Strand within “COLTS-Con”
- Hands-on STEM workshops led by STEM faculty
- Group presentations and one-on-one meetings with STEM Counselor
- Introduction to campus support services
- Institutionalized: GP FYE 2021

STEM Speaker Series

- Features local STEM professionals from diverse backgrounds and educational paths
- 7-8 weekly sessions per semester
- Open to members of the community
- Institutionalized: GP CE Spring 2022

The STEM Center at Cañada College

WEDNESDAYS
5:00-8:00 pm

Location:
Bldg. 8-102

FALL 2018

STEM SPEAKER SERIES

Sept 19		Speaker Series Kick Off The Entrepreneur Panel
Sept 26		Marcella M. Gomez Assistant Professor UC Santa Cruz "Controlling Biology: A mathematical approach"
Oct 3		Adam Windham Interim Dean of Science and Technology Canada College "Transient Luminous Events: Upper-Atmospheric Lightning"
Oct 17		Apeksha Gajjar Assistant Project Manager Swinerton "Finding your Career in Construction: My Personal Journey"
Oct 24		Brett Baker Geologist One Concern - Building Resilience "Life's a Journey, STEM has guided mine from Wyoming to Hell to Antarctica"
Nov 7		Ryan Turner Geodetic Field Engineer UNAVCO "My Gasday - From High School Drop-out to Engineering on the Plate Boundary Observatory"
Nov 14		Michelle Staples Scientist Thermo Fisher Scientific "Biology, a Boy, Babies, and Biotech: A California Story"

FREE and open to all

3) Help Students Stay on Their Pathway

- Dedicated STEM Counseling
- Retention Activities
- University Visits
- Conferences
- Internships

Dedicated STEM Counseling, Retention Activities and Transfer Support

- Students met with a STEM Counselor periodically to monitor progress towards goals
- Retention activities keep students on track:
 - Early Alerts
 - “Ask Me Anything”, Drop-In Hours
 - Peer Mentoring
- Workshops help students apply to transfer in a STEM major
- Institutionalized: GP Success Teams AY21-22

University Visits

- STEM-focused visits to universities
- Pre-trip workshops to prepare students
- 5-6 per semester

University Visits

Stem Fieldtrips 

Preview Workshop Monday, September 10th 4:00pm Bldg. 2-10	San Jose State University STEM Day Saturday, September 15th 8:00am-4:00pm
Preview Workshop Monday, October 15th 2:30pm Bldg. 9-206	UC Berkeley Friday, October 19th 7:00am-5:00pm
Preview Workshop Monday, October 29th 2:30pm Bldg. 9-206	UC Davis STEM Day Friday, November 2nd 7:00am-5:00pm
Preview Workshop Monday, November 5th 2:30pm Bldg. 9-206	UC Santa Cruz Friday, November 9th 7:00am-5:00pm
Preview Workshop Monday, November 26th 2:30pm Bldg. 9-206	Cal Poly, San Luis Obispo Friday, November 30th 6:30am-7:00pm

Conferences

- Opportunities for students to attend and present at professional conferences

4) Ensure That Learning is Happening with Intentional Outcomes

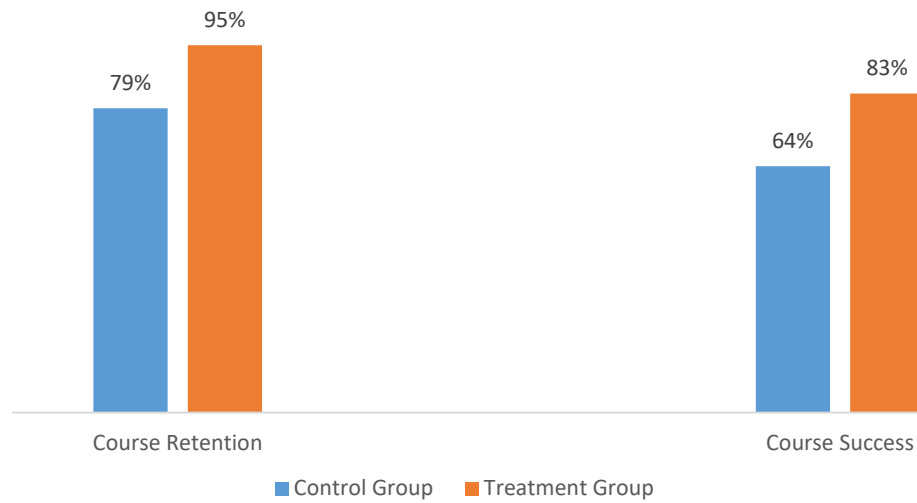

- EPIC Supplemental Instruction and Peer Tutoring
- STEM Faculty Community of Practice
- STEM Faculty Professional Development

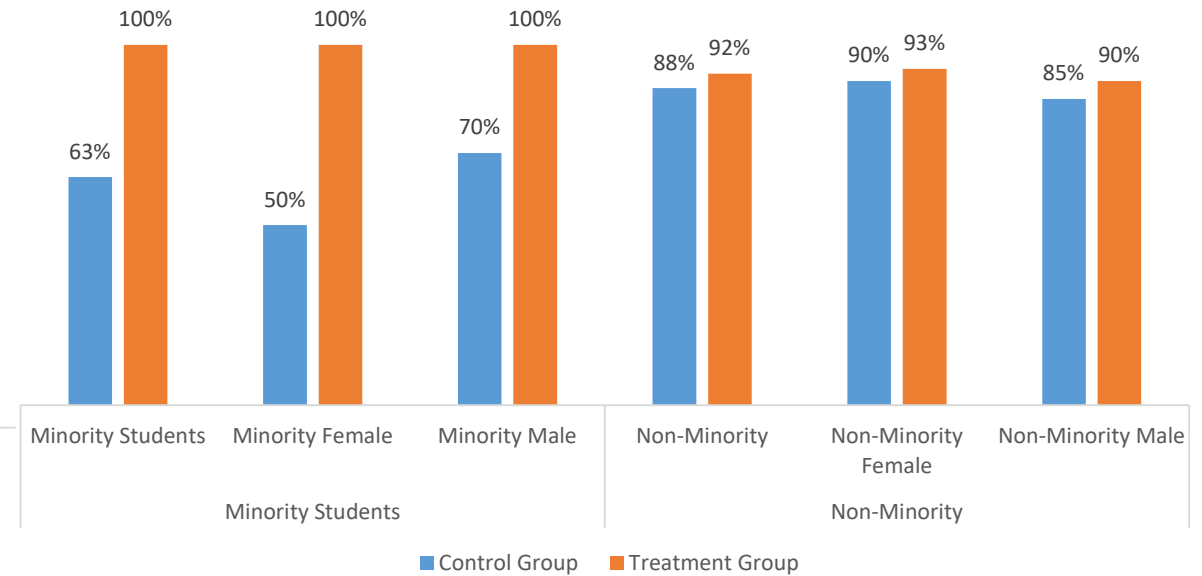

EPIC Tutoring Increases Course Retention & Success

Math 251 Course Retention and Success:
Comparison

Retention $p=.021$, Success $p=.035$

Math 251 Course Retention: Comparison by
Subgroups

Method: QED with PSM, control N=29, treatment N=51 Fall 17- to Fall 18

PSM [treatment and control groups matched on: gender, ethnicity, student type(first-time/continuing), GPA, number of units, income status, first-generation status]

STEM Faculty Community of Practice

- Faculty Inquiry Groups to examine teaching practices
- Outcomes shared with other Science & Technology faculty

Faculty Learning Program from UCB; jointly with SFSU and CSUEB faculty

Institutionalized: CIETL AY19-20

Thank You!
