Living the Promise MOU

- Increase the number of SUHSD students participating in early college access, with intentional focus on increasing participation of student groups traditionally underrepresented in college graduation.
- Establish early college access for partner district 8th graders.
- Establish clear and personalized communication with partner district 8th graders and their families about high school preparedness and resources to support high school graduation, college and career readiness and transition to college.
- Grow the number of students taking dual enrollment courses by increasing the number of sections offered to SUHSD high schools annually.
- Expand the number of high school students participating in the Middle College Program.
- Create individualized high school, college, and career readiness guides to be sent to all SUHSD incoming eighth-grade students and families.
