**ANNUAL UPDATE
REPORT**

Anthropology

Annual Update Questions - Disciplines

1. Describe any changes or updates that have occurred since you last submitted program review. If there haven't been any changes or updates since your last program review, enter N/A.

THIS INFO BELOW NEEDS TO BE MOVED TO THE RESOURCE REQUEST in Step 2.

1. Step 1. Complete the Annual Update Questions

2. Step 2. Complete the Resource Request.

More fossil casts from BoneClones <https://boneclones.com/> are needed for the department of Anthropology to update our collection so that it remains current.

They are

Australopithecus afarensis (Selem) BH-058 \$326

This was one of the most complete cranium of this species discovered most recently from a different site from the original "Lucy"

Australopithecus anamensis (Lake Turkana) BH-060 \$325

The oldest named Austral. species around 4 mya.

Australopithecus afarensis (postcranial set) of "Lucy." \$329

Consists of the Innominate, sacrum and femur demonstrating early bipedalism

Ardipithecus ramidus articulated foot SC-039-185A \$353

Divergent big toe foot of this species that is different from the modern foot

Supporting Information

Goals

Increase enrollment

Goal Status

1 - New (PR)

Goal Description

Student numbers per class have decreased in face-to-face courses. The goal is to increase enrollment. I would suggest adding Anthropology into career development for the reasons listed in Step 1.

Program Review Cycle When the Goal Begins

2022 - 2023

Who's Responsible for this Goal?

Anthropology department, marketing, counseling

Mapping

- CAN College Goals: (X - Selected)

- **Accessible Infrastructure and Innovation**: undefined (X)
- **Community Connections**: undefined (X)
- **Equity-Minded and Antiracist College Culture**: undefined (X)
- **Student Access, Success and Completion**: undefined (X)

Resource Requests

CAN Discipline - Anthropology

Resource Requests

Non-Personnel Item (2024 - 2025)

Non-Personnel Item (2024 - 2025)

Requested Year

2024 - 2025

Program Requesting Resources
