*Note: Counts and percents are based on census figures for summer, fall and spring.
**Note: The variations in total numbers each year within the Status, Course-Taking, and Educational Goal tables are due to
    missing data points and also due to students changing Status, Pattern, or Educational Goal within a given year -
    e.g. "First Time Student" in Fall and "Continuing Student" in Spring.
    The variations in total numbers each year within the demographic segments are due to missing data points, and, in the
    case of age, also due to students crossing a category threshold during a year (18-22 in Fall, 23-28 in Spring).
